Rebecca is very knowledgeable and friendly. The Groupon was for my daughter's first massage. She said it was a great experience for her and she's looking forward to getting another massage soon!

I had never heard of this place, but I wanted a good deep tissue massage, & when I saw that the Groupon could be used for Deep Tissue, I decided to give it a shot since I haven't found a place I really like. Rebecca's massage was absolutely awesome, the perfect combination of sports massage & deep tissue. It was perfect! I know now where I will go whenever I want a massage, Groupon or not.
